Federation of
Westminster Special Schools
& Bi-Borough Inclusion Service

A VIEW FROM THE ASSOCIATE EXECUTIVE
HEADTEACHER PAM JONES OBE

November 2024

INTRODUCTION

The Federation of Westminster Special Schools is a London based federation consisting of two Special Schools and a borough-wide Inclusion service. We were asked by the incoming chair to undertake a governance review

CLIENT TESTIMONIAL

We would like to express our sincere gratitude for the insightful and timely review you conducted. Your comprehensive approach, attention to detail, and thoughtful analysis have provided clarity and direction for the Federation Governing Board.

The way you balanced an in-depth examination of governance processes with practical and actionable recommendations has given us a strong foundation from which to move forward. We appreciated that you were able to identify areas of strength while highlighting where improvements can be made and help us to refine our strategic vision and governance structure.

The engagement with all stakeholders, including governors, staff, and leadership, was handled with professionalism and care. Your thoughtful interviews, careful consideration of diverse perspectives, and respect for the unique challenges faced by our schools and Inclusion Service have added a level of richness to the review that we deeply appreciate.

The final report not only reflects an understanding of our federation but also offers clear pathways for improving effectiveness and fostering greater collaboration.

Your insights have empowered us to make necessary changes with confidence, and your recommendations will serve as a roadmap for enhancing governance and ensuring the success of our schools and Inclusion Service.

Thank you for your dedication, professionalism in supporting us through this review process in such a timely manner.

We look forward to implementing your recommendations and are confident they will have a lasting positive impact on our board and the Federation as a whole.
